# Dignity Prayer Bulletin January 2010

**Pray, Make a Difference...**

## Pray for People...

**We believe very simply that God has called us (Dignity) to plant and support the work of the Life! initiative everywhere and anywhere we can. The work itself is about spiritual transformation and the outworking of that in rural communities everywhere.**

**To do this requires people and lots of them. People are needed in this country to fund raise, speak about the work and recruit others. People are needed to go to Zambia and participate in the spiritual and practical work of transformation in rural areas. People are also needed in Zambia, who will lead the work, love their own people and reach out with a heart of love.**

**This 'recruitment' takes prayer and focus. Please pray that our message will go to everyone that it can, and that some will respond. We've worked out that we need about 27 people during 2010 throughout July to November on various teams to make a difference.**

**Those in the villages also need prayer backing. They have the task of reaching and releasing people from darkness. They are in the business of finding people and helping them to see the gospel and the wonderful possibilities it brings. Pray for us this month, pray for people.**

- Pray for our event in Manchester on January 30th. At this event we are simply aiming to reach people with message of transformation that the gospel brings. Pray that many people will be inspired to follow the vision and even Jesus himself.
- Pray for the 16 people that are required to participate within teams in September and October 2010 delivering various teaching and conferences to encourage those in the rural areas.
- Pray for the recruitment of those who are willing to spend 3 months working to plant the Life! Initiative in a rural area.
- Pray for the small leader team who will run our planter's conference in July.
- April and November see leadership conferences for those who are part of the Life! Initiative in Zambia. Again, pray that people will come and that they will be impacted.
- Pray for those who are currently part of Life! in Zambia and for those that will be later this year. Pray that the Lord himself would guide their recruitment.
